To Whom It May Concern:

Please consider this letter of recommendation on behalf of Sandie Miller, of Neighborhood Partners. Neighborhood Partner's has managed our community since 2016.

I have been a resident at the Cove of Nantucket in College Station since 2012 and an active member of the HOA board of directors for the last four years. Neighborhood Partners made our transition in 2016 from another property management company very smooth for the HOA Board. They were very conscientious to ensure the board of directors were aware of all state of affairs and organized our documents.

As a resident I have been treated kindly and with respect during my interactions with Ms. Miller and her staff. As a member of the HOA board of directors all my interactions and efforts have concluded in achieving that the needs of our community are met, even the ones seemingly small of concern. I have been satisfied with the legal business, bidding process and timeliness of the completion of our projects. As well as creation of web page with continual upgrades, any banking needs, and contracts. In all these services I have had a close interaction with Ms. Miller and her staff and they are always dedicated, and respectful.

I strongly recommend Sandi Miller and her team at Neighborhood Partners for your property management needs.

Sincerely,

Linda Lindan

Board President
