To Whom It May Concern:

It is with great pleasure that I am writing a letter of recommendation for Sandie Miller and Neighborhood Partners. I served as the President of the HOA for Castlegate from 2010-2012 and in effect worked side by side with Sandie on all things involved in our community. One of the bigger items we navigated through was with the developer and the potential addition of an aquatic center for the neighborhood. Sandie's knowledge of HOA bylaws and ability to reference all the other communities she has serviced gave us a source of knowledge to successfully deal with any issues that came about during my tenure on the board. She is professional, honest, and to the point. I would highly recommend Neighborhood Partners and Sandie to head up any management of HOA run properties. She was truly a great person to work with.
